**An Event 150 Years  
in the Making...  
and We Need Your  
Help!**

In 2020, First Baptist Church - Longview will celebrate 150 years as a church. The City of Longview will also be celebrating this milestone with many events throughout 2020. Our church celebration, **Homecoming 150**, will be April 18-19, 2020, and will include a dessert fellowship on Saturday night, and an extended worship service on Sunday morning.

**We need your help** gathering names and addresses of former members. These people will receive a "Save the Date" card in June of this year so they can get this event on their calendars. In February, 2020, they will receive an invitation packet with information about our church celebration, information about City of Longview events that will take place that weekend, and hotel information. Send names and addresses of your family members and friends who are no longer part of FBCL to:
