Program: Collin & Candice Bullard

Collin and Candice met as children in Ardmore, Oklahoma. Having grown up in the same church together, they were childhood friends before becoming high school sweethearts. By the age of 19, they were married. Over the past 17 years, they went from Oklahoma to Texas to England, and now back to Texas. Along the way, God has blessed them with four beautiful children: Asher (8), Burke (5), Annie (3), and Jack (1). Although this season of life is chaotic at times, Collin and Candice face the challenges of parenthood and ministry as a team. They did not know at the beginning of their marriage that they would end up in church ministry, but looking back it's clear how God has been preparing them for ministry all along the way.
